CONTINUOUS SESSION IS FAVORED BY DEMOCRATS TO STOP THE FILIBUSTER

SENATE TIED UP ON URGENT MATTERS

WASHINGTON, Feb. 24.—The Senate Democrats after a conference with Secretary McAdoo have virtually decided to hold a continuous session until March 4 to fight to a finish the Republican filibuster on revenue and preparedness legislation.

Republicans of the Senate continued a filibuster today that threw in the air all plans for the remaining eight working days of the session, threatening essential pending legislation and foreshadowing opposition to any request President Wilson may make for authority to deal with the international crisis after Congress adjourns. They did not challenge charges on the floor that they deliberately were seeking to force the president to call an extra session.

Although the Democrats believe the fight is aimed chiefly at the administration's emergency revenue bill, it drew prompt and hearty support from those opposing any grant of additional power to the executive which might result in aggressive action to protect American rights in the war zone.

The trouble began last night when the majority rejected an amendment modifying the excess profits tax provision of the revenue measure. There was a conference presided over by Senator Lodge and participated in by leaders of both wings of the Republican party, including Senators Penrose, Smooth, Weeks and Brandegee of the regulars and LaFollette, Poinsett and Norris of the Progressive group.

Returning to the floor, the Republicans began killing time, speaking one after another for hours on perfunctory amendments, while the exasperated Democrats in charge of the revenue bill listened helplessly. No progress was made during the day.

ENTERTAINED AT ELKS' HOME FRIDAY EVENING

Aiding in a marked degree to the pleasure of the Friday evening meeting of the Elks at their home on Volusia avenue was the appearance of the Harvard Quintette which entertained the members with several very fine musical numbers.

The quintette is composed of five young men who have come to Florida from their home in Chicago, touring the winter playground of America, giving concerts as they go. They have been heard in Jacksonville, St. Augustine and Tampa so far, where they were well received. Their music is very spirited and well executed. The members are S. Holtsworth, M. A. Schneider, P. S. Dooley, C. Rieger and S. Morris. During the summer they are engaged at the Palm Garden at Woodlawn Bay, Delavan Lake, Wis.

ORANGE BLOOM IN PROTECTED GROVE

R. S. Maley, who in addition to his hardware business, owns a handsome orange grove property on the DeLand road, in the southwestern part of the city, in which he takes much interest, stated to a News representative this morning that he had not only saved the bulk of his fruit by firing his grove during the recent freeze, but had so protected his trees that he now has bloom on some of them. Mr. Maley used 400 smudge pots, distributed around the outer edges of the grove and says that with 200 more there would have been no damage whatever. As it was some injury resulted to trees in the center of the grove where the benefit of the fires was not so great. This protection of his trees has assured him at least something of a crop this year.

Mr. and Mrs. Booth were married at the home of Dr. and Mrs. Carroll on North Beach street, on February 23rd, a year ago, so that the baby arrived on their first wedding anniversary. Mr. Booth also made many friends here while visiting Dr. and Mrs. Carroll who will be pleased to learn of the good fortune that has come to himself and wife. FEARFUL RAID MADE ON DUTCH SHIPPING

WASHINGTON, Feb. 24.—The sinking of two more vessels with Americans aboard has been reported to the State department. In both cases the vessels were warned and the Americans landed.

Consul Osborn, at Havre, reported the sinking of the Norwegian steamer Skrim, carrying one American. Consul Frost, at Queenstown, reported that one American was aboard the British bark Ellenheim.

The tremendous destruction of Dutch shipping during the last two days is regarded as the most acute phase of the international situation, as it brings nearer the probability of a break between the Netherlands and Germany.

The situation for Holland, in its relations to Germany, is growing more difficult, according to Washington observation.

President Wilson has given no indication when he will go before Congress. Secretary Lansing is on a three days' vacation.

Loss of \$11,600,000.
NEW YORK, Feb. 24.—It is estimated here that the destruction of the seven Dutch ships reported from London, involves a loss of vessels and cargoes valued at \$11,600,000.

The Zaandijk, a Holland-American liner, enroute from Rotterdam to New York, had been in Falmouth; The Noorddijk, also a Holland liner, enroute from New York to Rotterdam with a cargo of grain, had put into Falmouth; the Eemland, enroute to New York for grain, and the Jacatra, carrying grain for Holland, are among those lost.

Dutch Crews Saved.
LONDON, Feb. 24.—Lloyds announce that the crews of the following seven Dutch steamers were landed yesterday, their vessels having been sunk Thursday: Zaandijk, Noorddijk, Eemland, Jacatra, Menado, Bandoeng and Gaastland.

The largest is the Noorddijk, which was 7,156 tons. The Jacatra, Menado and Bandoeng are all of more than 5,000 tons each. Four of the vessels were homeward bound with full cargoes.

The attack occurred at the western approach of the English channel. More than 200 men of the crews, dressed in odd pieces of clothing, arrived in London today.

WAR SUMMARY

With the announcement of the sinking of the British steamers Granadier and Trojan Prince and seven Dutch liners, with a total tonnage of approximately 37,500, German submarines reached their second largest record since Feb. 1.

Military operations are few. The Germans abandoned some positions to the British on the Somme sector and repulsed French attacks in Champagne.

BENEFIT FAIR FOR THE UNION CHURCH

HOTEL ORMOND, Feb. 23.—The fair for the benefit of the Ormond village union church, which was held in the rotunda of the Hotel Ormond yesterday, proved a great success. So far all the returns are not in, but there is no doubt but that the sum raised will exceed that of any previous year. In the afternoon delicious tea and cakes were served.

The Ormond boys won at the baseball game yesterday afternoon.

Mrs. Alexander Lindsay entertained eight of her friends at dinner last night at the Hotel Ormond, the party afterwards going to the Washington birthday ball in the casino.

Mrs. Henry Irons, of New York, entertained at dinner a number of her friends last night.

Many dinners were given in the grill room last night, some large, some small, one of twenty-five covers being the most noticeable. All through the hotel the flowers were magnificent, from corsage bouquets of orchids, worn by the ladies to the table decorations.

A very enjoyable whist party was given last evening by the employees of the Ormond, at which Miss Marie Buckley captured the first prize, and Miss E. Y. Powers, of Bretton Inn, secured the second. Bush Campbell, the popular captain of the Ormond baseball team, won the gentleman's first prize, Mr. Edson won second and Mr. Hardman, of Bretton Inn, won the consolation. A donation was received from J. H. Looby, the head waiter of the Ormond.

Mr. and Mrs. John L. Dunlap and Miss Beulah Brennan, of Louisville, Ky., touring by auto through the state of Florida, are stopping at the Ormond for a few days, in order that

they may take the many beautiful motor trips from this point.

J. G. Davidson, Jr., of Washington, will spend some time at the Ormond.

Mr. and Mrs. J. L. Smith and G. W. Wilson, of Chicago, are stopping at the Ormond.

Mrs. H. Gaut and Miss H. Gaut, of New York City, are registered at the Ormond.

A. G. Pollard and W. T. Sheppard, of Lowell, Mass., joined Mrs. Pollard and Mrs. Sheppard at the Ormond for an extended stay. They are all former valued patrons and have many friends here.

Mrs. H. M. Phillips, of Springfield, Mass., and Alexander Phillips, of Peacock, N. J., are stopping at the Ormond.

A very enjoyable bridge party was given at the Ridgewood hotel on Thursday evening. Washington birthday decorations prevailing in the green room where the event was held. Each table was used to represent a fort, and at the close of each series the prize winners were given flags. The table which had captured the most flags at the end of the game was the highest winner. Fort Sumter attained the highest place, the players at the fort, Mr. and Mrs. A. N. Titus, of Athens, N. Y., and Mr. and Mrs. Chas. Griffing, of Danbury, Conn., receiving the prizes. Players at Fort Lafayette won the next highest number of flags which included Dr. and Mrs. Moores, of Lawrence, Mass., and Mr. and Mrs. Mathews, of Cleveland, Ohio.

THE WEATHER

FOR FLORIDA:—Generally fair to-
night and Sunday; cooler tonight in
north portion. Moderate variable
winds.

The trough-like depression on the
previous map moved rapidly eastward
during the last 24 hours and it has
disappeared off the north Atlantic
coast. It gave general, but moderate
rains east of the Mississippi river.
Another storm of apparently decided
energy is approaching the north
Pacific coast; rain has set in in its
advance throughout the Pacific coast
states.

Rising temperatures have taken
place throughout the Atlantic seaboard
incident to the passing of the depres-
sion off the north Atlantic coast. Cold-
er weather prevails from the Lakes
to the Gulf under the influence of
higher pressure and northerly winds.
Temperatures are generally higher
west of the Mississippi river, except
over Texas. The winds are light to
moderate on the lower coasts—mostly
from the southwest. Fair and some-
what cooler weather is indicated for
tonight; Sunday generally fair.

A. J. MITCHELL, Meteorologist.

It is possible that at no very dis-
tant date the wearing of an onion in
the vest pocket will be as great an in-
dication of wealth as a display of dia-
monds in scarf or ring.

tona in the fall with Dr. C. H. Gabler
and has been the house guest of
Dr. and Mrs. Gabler at their winter

this morning on his return to Vir-
roria, Ill. Mr. Schoeberlein was south

will come to Daytona about the first
of March and be here for the remain-
der of the winter. Dr. and Mrs. Mac-
Dowell have friends among the Troy,
N. Y., contingent in this city and
vicinity.

Mrs. Lou Verrill, of Biddeford, Me.,
who had been here for some time as
a guest at the Howard hotel, left Fri-
day on her return north, stopping en
route at Jacksonville and at points
in North Carolina. Mrs. Verrill, who
is a friend and neighbor of Mr. and
Mrs. C. E. Sawyer, of Saco, Maine,
who spend the winters here, and also

SEABREEZE

Miss Leta Coburn will entertain the members of the Whitsitutu club at her home on Halifax avenue next Monday afternoon.

Judge J. M. Mullen, of Petersburg, Va., who has been in DeLand for several days on important legal business, came over from the county seat today to visit for a short time at the home of Mrs. C. W. Jacobs and daughter, Miss Rosina, on Atlantic avenue. Judge Mullen was here last summer at the Jacobs' home and made several friends here during that time.

George M. Faith has purchased from Mrs. Sedonia Appelgate, through the agency of C. F. Burgman, a lot on Wild Olive street, between Ocean and Glenview boulevards, Seabreeze, upon which he will, without delay, erect an attractive winter residence.

A good soaking rain would be of inestimable value just now to frozen vegetation and especially to the citrus trees injured by the recent low temperature. The dry weather is adding greatly to the damage resulting from the severe cold and is also discouraging the replanting of vegetable crops, yet rain can hardly be expected at this time which is usually the driest period of the whole year.

Seabreeze property for sale: Northwest corner Grandview and Oakridge 12x125 feet. Northeast corner Grandview and Earl, 180x165 feet. Will sell any portion or either corner at a low figure. Also one lot 50x165 feet on Atlantic avenue, between Earl and Ora streets and some Ocean front property.

Bishop John W. Hamilton, D. D., LL. D., of Washington, is the guest of Rev. and Mrs. John Treadwell in the parsonage. Bishop Hamilton is chancellor of the American university of Washington, D. C. Bishop Hamilton will preach in Community church at 11:00 Sunday.

FISK JUBILEE SINGERS IN COMMUNITY CHURCH
The Fisk Jubilee singers will give a concert for the Christian Forum Sunday morning beginning at 9:50 and at 1:15 they will sing for the Sunday school. These singers are well known in this locality and every year they add to their reputation as entertaining group singers.

SURVEY WORK IS BEING DONE ON ATLANTIC AVE.
Engineer C. M. Rogers, of Daytona, is now at work in surveying South Atlantic avenue from the south line of Bostwick park to the town limits in lower Daytona Beach. This work is being done in preparation to grading this street.

Mr. Rogers will start work Monday or Tuesday on a survey of North Atlantic avenue from Seabreeze to its present terminus above the Seabreeze town line, to the south boundary of Ormond Beach.

COMMUNITY CHURCH DAYTONA BEACH
Sunday, February 25th will be Chautauqua day with the Community church. At 9:30 Christian Forum Bible study class will be taught by Dr. F. P. Meyer of the Chicago Bible school.

At 9:45 regular Sunday school session. It is a graded school and thoroughly organized. From 9:50 to 10:05 the Fisk Jubilee singers will give a sacred concert before the forum and at 10:15 will sing for the Sunday school.

At 10:15 Mr. Bradford Peck, of Lewiston, Me., will address the forum on the subject "The Union of Labor and Capital." Mr. Peck is the owner of the largest department store in the northeast.

At 11:00 a. m. Bishop John W. Hamilton, D. D., LL. D., will preach and at 7:00 p. m. Mrs. Lucy Ryder will speak.

Special music at the morning service under the direction of Prof. F. L. Seales and in the evening special music under the direction of Mrs. Redwood Wharton.

Reclining Good for Digestion.
According to a French scientist, digestion proceeds more swiftly when persons are recumbent than when erect because in the process of evolution the stomach has not advanced as rapidly as other organs.

Harmless.
"Will you have another cup of coffee, Mr. Smith?" asked the landlady. "Yes, thank you, I will," said the new boarder. "My physician advises me to drink plenty of hot water for my indigestion."

SANS SOUCI WOMEN HAVE ENJOYABLE MEET

The popular ladies' organization of the peninsula, the Sans Souci club, met Friday afternoon at the home of Mrs. R. C. Watterson, on North Halifax avenue. This interesting session was a postponement of the regular meeting of last Thursday.

The literary program of the afternoon consisted of a paper on "Alaska" prepared and read by Mrs. A. T. Bigelow. Mrs. Sadie Sheets also read a beautiful poem, "Nature," to the club. After the literary hour came a pleasant social period of some length. A picnic for March 10 was planned and will be held at Ponce park. Basket lunches will be taken and the trip made either by boat or automobile to spend the day at the inlet.

Toward the end of the session tasteful refreshments were served by the hostess, who was assisted by Miss Catherine Waterson.

The next meeting of the club will be held at the home of Mrs. Smith G. Young on Halifax avenue and the river front, Daytona Beach.

BACK FROM INSPECTION OF THE EVERGLADES

Attorney David Sholtz returned yesterday from his inspection of the Everglades in company with other members of the Florida legislature as guests of the Everglades Drainage and Development league of Fort Lauderdale.

State Senator James E. Alexander also returned at the same time, motoring over to DeLand in his car which he had left in this city. Several other members of the legislature were with Mr. Alexander and accompanied him to DeLand.

CARELESS DRIVER HITS MAN WITH AUTOMOBILE
An old gentleman by the name of Mr. Daniels was knocked down by an auto in front of the Howard house on Volusia avenue today shortly before noon and was somewhat shaken up. The driver of the car was gazing at the hotels and surrounding scenery and failed to see the aged man toward whom his car was running. Mr. Daniels was put immediately under the care of a local doctor, who ascertained that no bones were broken and bandaged the man's wrenched hand and bruised knee.

Gymnasts Photographed.
To eliminate unnecessary movements, a French school of gymnastics takes instantaneous photographs of pupils in action and this is able to study their motion.

To Avoid Colds.
In brief, if you wish to be absolutely immune from colds of all kinds and their more serious sequences, here is the recipe: Eat abstemious, or non-stimulating food. Fast occasionally. Avoid table salt, woolen underclothing and foul air, and harden the body by exposure to the air and sun, and occasionally to cold water.

FLORIDA RECOVERING QUICKLY FROM FREEZE
County Commissioner C. F. Burgman called attention this morning to the rapidity with which Florida recovers from a blow like that dealt the state by the freezing temperatures of the nights of Feb. 2nd and 3rd. Orange trees are already beginning to put on new growth and many plants and shrubs are springing up from the roots where frozen down. Vegetables are showing up again and strawberries are blooming and bearing fruit is already ripening. Within a few weeks most traces of the freeze will have disappeared and this rapid transformation would be still further hastened by refreshing showers which nature has thus far withheld.

Tunesmiths.
A tunesman who desires to compose a tune that shall become popular must contrive to produce something apparently original, and yet not so original as to demand study. It must also contain echoes of other well-known tunes, and yet they must be so combined that no one can tell for certain where they come from, which is what we demand of a tunesman whose tune that knows no other.

ELKS' "JOY" DAY FRIDAY, MARCH 16

OFFICERS OF LOCAL LODGE OF ELKS NOMINATED FRIDAY EVE AND PLANS LAID FOR ANNUAL CELEBRATION.

At the meeting of Daytona Lodge No. 1141 B. P. O. Elks, Friday evening, it was decided to hold the annual "Joy" day celebration on Friday, March 16th, at which time a big parade, with many interesting features, will be given. It is planned to have several attractive floats on this occasion and in other ways it will eclipse any former "Joy" day celebration of the lodge. It is probable that the business people will be requested to close their stores for an hour or two, while the parade is being held. There will be ten or a dozen candidates to enliven the occasion and they will have prominent places in the parade, preparatory to being led to the sacrifice at the meeting of the lodge in the evening. It is taking a big contract to promise to improve upon the parade of last year, which was witnessed by great crowds of people, but the Elks are determined that this one shall exceed it by far and they are more apt to accomplish their purpose.

At the meeting Friday evening, nominations were made for officers for the ensuing year, and these nominations virtually amount to an election. The nominations were as follows:

Exalted Ruler, C. M. Bingham; Esteemed Leading Knight, Lew Smith; Esteemed Loyal Knight, P. W. Hart; Esteemed Lecturing Knight, Henry Pollitz; Secretary, B. B. Baggett; Treasurer, F. J. Niver; Tyler, C. Hewitt Edmonson, Trustee for three years, F. N. Conrad, who was also elected as delegate to the grand lodge meeting, with Geo. F. Crouch, J. D. Maley, and J. D. C. Morris.

LARGE CROWD ENJOYS 2ND G. A. R. CAMPFIRE

Again Burgoyne casino was filled with an interested crowd taking part in and witnessing the second G. A. R. campfire held in Daytona during the present winter. These campfires have both proven very successful. The program for today was carried out as follows:

Opening remarks by the chairman, John E. Gobeille, of Rhode Island.

Invocation—Comrade Frank W. Smith, of Ohio.

Star Spangled Banner—Stanley.

Address by Judge C. B. Grant, of Detroit.

Address by Col. J. D. Robertson, Confederate veteran.

Victor record, "Dixie"—Dr. Houghton.

Solo—Miss Helen Benson, of Minneapolis.

Recitation, "The Old Blue Blank and Blue"—by Comrade G. E. Seaman.

Recitation by Comrade N. L. Hope, of Connecticut.

Original poem by a Union soldier dedicated to Major Abercrombie, a Confederate veteran—Mrs. E. F. Levin, of Indiana.

Address by Major Abercrombie, a Confederate veteran of New Smyrna.

Vocal solo by Miss Alice Johnston Osborne, of New York.

Scotch recitation by Captain A. T. Ligelew, of Seabreeze.

Solo, "Good Bye, Sweet Day"—Mrs. Marion Carpenter, of Detroit.

A third campfire will take place sometime in March and will be the largest and best of all.

CITRUS CONDITIONS VERY ENCOURAGING

Rolland B. Stevens, of Munroe & Stevens, returned Friday afternoon from an automobile trip to various points in the citrus belt, feeling much encouraged over the situation in general and especially over the conditions here, as he says this section came through the freeze far better than many places he visited. Mr. Stevens was accompanied on the trip by F. M. Leonard, of Boston, Mass., and J. A. Stevens, of DeLand. They left Daytona Sunday and visited Orlando, Ocala, Brooksville, Dade City, Clearwater, Tampa, Plant City, Bartow, Sanford and other places. As usual, the damage from the cold varied greatly in different localities and even in nearby places of the same locality, but nowhere is it so great as in 1894-5, when the trees were killed to the ground. Mr. Stevens says that nowhere did they find large trees killed and in many instances where the locality had been visited by a rain the trees were already showing new growth an inch or more in length in which blossom buds can be distinguished. New growth is also appearing on the trees in this vicinity and Mr. Stevens feels assured that many of them will carry blossom and fruit this year. But, he says, would help immensely at this time. In the Munroe and Stevens grapefruit groves protected by smudge pots during the freeze, the trees, which did not even lose their leaves, are now freely showing blossom.

Greatest Joys Are Simple.
The joys that are bought with money are worth nothing compared with the joys that, though sweet and gentle and unassuming, are yet deep, enduring and quieting; the joys that enlarge the heart instead of diminishing it, and which we too often pass by—somewhat in the manner of those peasants who, one sees in an ecstasy over the fireworks at some fête, and who pay not the smallest attention to the splendor of a summer night—Sabbatier.

WASHINGTON FORCES BRIDGE TABLES AT THE PRINCE GEORGE

The George Washington forces invaded the Prince George hotel Thursday night, stormed the foyer and established forts at the bridge tables, hoisting gay red, white and blue signals at each table. The tallies, turning their frivolous minds to the serious subject of patriotism, bedecked themselves in red, white and blue and cast their vote for miniature flags to make a good thing better still.

The brilliantly lighted foyer, filled with vivacious groups around the nine card tables, made a scene strikingly attractive. The patriotic idea was carried out in many pretty ways in the ices and individual cakes that were served after the games. Team play added unusual interest to the rubbers. When scores were counted first prize was awarded to Mrs. M. E. Youlin and W. W. Hilyard, who won silver olive forks, the second prize, a pair of etched silver lemonade spoons went to Miss Dorothy O'Dorothy Lynch and Benjamin Cook. Third and fourth prizes which were quaint novelty corks and a pair of individual salt cellars, were won by Mrs. Thos. Bellas and Mrs. Benjamin Cook, playing together, and Mrs. W. W. Hilyard and Felsen Heldt.

CLEVELAND LADIES ENTERTAIN AT CARDS

Surrounded by the charming and artistic atmosphere of the lovely green room at the Hotel Ridgewood, Mrs. A. B. Foster and Mrs. J. A. Mathews, both of Cleveland, Ohio, entertained a few of their friends on Friday afternoon at auction.

Glorious weather made the scene more charming added to the assembly of beautifully gowned ladies, who enthusiastically enjoyed auction for several hours. Seven tables were occupied, and when scores were summed the highest mark was attained by Mrs. Elliott Wood, of Bath, Me.; second, by Mrs. Arthur Titus, of Athens, N. Y., and third, by Mrs. W. E. Blodgett, of Fairbault, Minn., who were awarded very beautiful trophies.

Mrs. Foster was exquisitely gowned in white crepe de chine with lace hat of black, harmonizing wonderfully with her lovely silver hair. Mrs. Mathews was very attractive in an afternoon gown of white satin with a stunning white hat.

Following the card game the ladies enjoyed refreshments served during the tete-a-tete hour.

DELIGHTFUL HOP AT THE SEASIDE INN

An unusually large crowd of dancers and a group of evening gowns that were notably lovely distinguished the dance at the Seaside Inn Thursday night. The George Washington birthday spirit of festivity took possession of the happy event, and with an excellent program of music plentifully interspersed with patriotic airs, and a ball room overlooking the ocean, the hop was a glorious success.

Preceding the dance Mrs. J. S. C. Bronaugh, of Nicholasville, Ky., entertained informally at dinner, her guests being a trio of Nicholasville friends who were Mrs. J. Edna Arnold, Mrs. Rella Hemphill and Miss Mary Arnold.

Pigs Are Dainty Eaters.

Pigs, instead of being ready to eat anything, are among the most fastidious animals. Out of 575 plants, the goat eats 449 and refuses 126; sheep, out of 528 plants eat 387 and refuse 141; cows, out of 494 plants, eat 276 and refuse 218; horses, out of 474 plants eat 262 and refuse 212; while pigs, out of 243 plants, eat only 72 and refuse 171.

Those Dear Girls.

Edith—"I think Jack is horrid. I asked him if he had to choose between me and a million which he would take, and he said, the million." Marie—"That's all right. He knew if he had the million you'd be easy."—Kansas City Journal.

WILBUR BY THE SEA

WILBUR-BY-THE-SEA, Feb. 23.—Contractor Eaton has started a handsome residence on Oriole avenue for Captain Crowell, which will be a pleasing addition to the community.

The Washington's birthday ball at the Toronita hotel was an extremely brilliant fete, and was greatly enjoyed by a large number of people. Several tables were reserved for private dinner parties and the decorations were exquisite. Dancing was enjoyed until midnight, and those attending were entertained in a charming manner.

Among the guests being entertained at the Toronita hotel is Mrs. J. B. Yorke, of Lowell, Mass. Mrs. Yorke recently arrived from New York, where she had been visiting her son G. M. Yorke, who is vice-president of the Western Union Telegraph company.

Among the recent registrations at the Toronita hotel are Mrs. John Wood and son, Detroit, Mich.; Mr. and Mrs. E. G. Darzohn, Rochester, N. Y.; Mrs. Annie K. Rich, Dubuque, Iowa; Mr. and Mrs. G. W. Berger, Philadelphia, Pa.; Mr. and Mrs. Alfred Wattenberg, J. Burnside, N. Y.; Mrs. Elizabeth Dodges, Dr. H. W. Herrick, Lincoln, Neb.; Mr. and Mrs. W. H. Hill, Overton, Neb.; Mr. and Mrs. H. E. Marshall, Detroit, Mich.; Mr. and Mrs. W. H. Amer, Philadelphia, Pa.; C. F. Burman, Mrs. J. R. Wilcox, Mrs. Frances E. Baldwin, Elmira, New York.

Mr. and Mrs. Charles B. Myers, of Anderson, Ind., arrived at Wilbur-by-the-Sea on Friday, and will be the guests of Mr. and Mrs. Joseph Hughes. Mr. Myers is the brother of Mrs. Hughes and is affiliated with the Ames Shovel and Tool company, with whom he holds a responsible position. The Hughes will be joined shortly by Mrs. Hughes' father and mother, Mr. and Mrs. C. H. Myers, who are now located at the Touraine hotel in Boston.

The Wilbur Improvement society will hold a formal party at the Toronita hotel on Tuesday evening, and are making elaborate preparations for the event. Postmaster Bryant, who is president of this live wire society, will be assisted by an able staff of assistants.

A. M. Barnes, of Detroit, demonstrated Friday that he was a successful fisherman, as well as a furrier, by bringing in a tempting string of bass.

A motor trip to DeLand and DeLeon Springs yesterday proved a pleasurable diversion for Mr. and Mrs. John Hauf, Miss Harriet Hauf, Mrs. S. Owen, Miss Freda Meurer and John Hauf, who are guests at Schmidt's hotel. A picnic luncheon in one of the picturesque orange groves near DeLand made the trip a characteristic Florida outing that was a delightful novelty to the northern visitors.

Mr. and Mrs. James Kelley, of Asbury Park, N. J., season guests at the Prince George hotel, entertained several friends with a crabbing party yesterday.

Business visitors to Daytona who are guests at Schmidt's hotel are J. B. Mallard, of the Porter-Mallard company, and T. E. Williams, both of Jacksonville.

Mrs. A. T. Chapman and Miss Converse, of Woodmont, Conn., are guests of Mr. and Mrs. McKergow, who have one of the Princess Issema cottages for the season.

An Ohio four noted in Schmidt's dining room Thursday night was composed of Mr. and Mrs. Albert E. Dorn, of Cleveland, and Mr. and Mrs. M. E. Read, of Warren.

W. B. Lamb, an official of the Gulf Refining company of New York, was a recent visitor to the Ridgewood hotel, where he spent a short time, en route to Palm Beach by automobile.

Aboard the "Short Stop," a party of Prince George guests spent a delightful day on the Tenoka yesterday. Those who enjoyed the outing were Mr. and Mrs. J. Biehle and daughter, Mrs. W. E. Shoemaker, Mrs. Max Stern, Mrs. J. R. Carnahan, Miss Helene R. Stern, Miss Dorothy O'Donoghue, Miss Nell Carnahan and Karl E. Stern.

After a pleasant stay at Schmidt's hotel Miss M. E. Gardner and Miss F. L. Jones, of St. Louis, Mo., have gone to Palm Beach. En route north they expect to stay in Daytona for a longer sojourn.

Cleveland guests added to the already large contingent at the Ridgewood hotel are Mr. and Mrs. W. A. Stevens, Mr. and Mrs. F. A. Sarstead, H. J. Rich, who are pleasantly located at the hotel for a lengthy stay.

Miss Jeanette E. Cowell, of Waterbury, Conn., arrived Thursday at the Seaside Inn, coming to be with friends for several weeks. She is receiving a warm welcome from a wide circle of friends at the resort.

The Ridgewood 500 club enjoyed cards on Washington's birthday at the hotel, which was especially arranged and which proved a very charming event. Appropos to the day favors and decorations of George Washington were used. A number of table were occupied by enthusiastic players. Prizes were won by Mrs. Leavitt of Springfield and Mrs. M. P. Fiebel, of Hillsboro, Ohio.

From far away Hawaii comes the sport of surf boarding that is the vogue at Daytona Beach this season. Standing on the slender boards that jump through the water like arrows, the bathers can appreciate the exhilarating pastime of riding the waves. Surf boats are also popular at the resort, and the slim craft with white sails gleaming in the sun make the ocean in front of the Seaside Inn vastly picturesque. Yesterday, exhibition riding by a clever bicyclist demanded the attention of several scores of the hotel colony. With the water filled with bathers, interspersed with surf boats and boards and the beach dotted with bright lined sport coats and smart sweaters of the feminine contingent, the resort is as gay as it is altogether attractive.

FRIENDS STAMPED COUPLE

AS A NEWLY WEDDED PAIR

Much interest was attracted at the railway depot Friday afternoon by a merry party bidding good-bye to what was accepted as a bridal couple as they were freely riced by their friends when they were preparing to board the train. The couple, who took this nuptial hazing in good part and apparently joined with their friends in the enjoyment of the situation, were Mr. and Mrs. C. R. Corbin, of Binghamton, N. Y., who have been making a tour of the state and were guests at the Despland hotel for a few days while seeing Daytona and greeting friends and townspeople from their home in the Empire state.

The party gathered at the depot to bid them adieu included Mr. and Mrs. P. L. Dennis, Mr. and Mrs. H. C. Clarke and Mr. and Mrs. H. R. Bowers of Binghamton, Dr. and Mrs. E. J. Levering, of Stroudsburg, Pa., and Mr. and Mrs. B. H. Smith, of Caro, Mich. Mr. and Mrs. Bowers and Mr. and Mrs. Smith are winter residents and the others are sojourning here for awhile as guests at the Tourist hotel.

They have been enjoying motoring about the city and vicinity and had all been over to the ocean beach for a surf bath Friday morning and on leaving Mr. and Mrs. Corbin at the hotel at noon good-byes had been said, so the appearance of their friends at the depot in the afternoon was a surprise to Mr. and Mrs. Corbin, followed by the greater surprise of being riced, for the Corbins were married two years ago and spent their honeymoon in California.

However, their present trip to Florida has been so delightful that they are willing to accept it as a continuation of their wedding journey, made more realistic by the action of their friends on their departure. Mr. and Mrs. Corbin were delighted with Daytona. Mrs. Corbin saying it was the prettiest place she had ever seen. They will stop over in St. Augustine for a few days before returning to their northern home.
